

## Writing the next chapter in education How the pandemic has fundamentally changed the way UK schools operate

In a recent survey, we listened to over 3,000 staff working in primary schools, secondary schools, nurseries, sixth forms, local authorities, multi-academy trusts, and catering organisations.

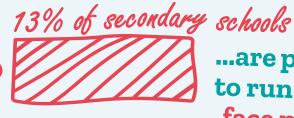

of surveyed schools will use a mixture of face-to-face and online appointments 20%

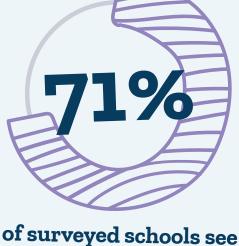

of surveyed schools will only use face-toface appointments

Face-to-face
parents' evenings
are still popular

23% of primary schools

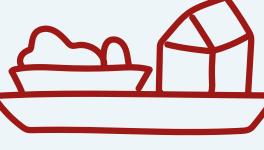

...are planning to run face-toface parents' evenings

16%

of surveyed schools have seen a rise in free school meal uptake

social inclusivity and access to the internet as the biggest barrier to becoming paperless
